EDUCATION

Queen's University <i>Department of Mathematics and Statistics</i> PhD in Mathematics and Statistics, supervised by Professor Francesco Cellarosi and Professor Brad Rodgers	2023-current
Rutgers University – Camden <i>Department of Mathematical Sciences</i> Master of Science in Mathematics	2022-23
University of Cambridge <i>Department of Pure Mathematics and Mathematical Statistics</i> Master of Advanced Study in Pure Mathematics	2018-19
King's College London <i>Faculty of Natural & Mathematical Sciences</i> BSc Hons. in Mathematics	2015-18

PUBLICATIONS

(2025) Fu., S; Heimrath, J.; Hsiao, S.: *Multiplicities of eigenvalues for the Laplace operator on a square*
Involve, a Journal of Mathematics Vol. 18, No. 3, 487-494

(2021) Heimrath, J.: *The Area Method in the Wolfram Language*
In Predrag Janičić and Zoltán Kovács: Proceedings of the 13th International Conference on Automated Deduction in Geometry (ADG 2021), Hagenberg, Austria/virtual, September 15-17, 2021, Electronic Proceedings in Theoretical Computer Science 352, pp. 64-76.

WORK EXPERIENCE

Advanced Math Developer <i>Wolfram Research</i> Number theory consultant for the WolframAlpha math team	2020-2026
Student Researcher <i>Rutgers University</i> Student researcher under the supervision of Professor Fu	2022-23

SCHOLARSHIPS

Duncan & Urlla Carmichael Graduate Fellowship CAD10000 awarded by Queen's University	2024/25
Queen's Graduate Award CAD500 awarded by Queen's University	2024/25
Dr. V. David Jayajar Daniual Award CAD2500 awarded by Queen's University	2023/24
N.& G. Miller Graduate Fellowship CAD9140 awarded by Queen's University	2023/24
Graduate School Outstanding Achievement Scholarship \$7000 awarded by Rutgers University – Camden	2022/23
Graduate School Out-of-State Merit Scholarship \$8838 awarded by Rutgers University – Camden	2022/23

AWARDS

Outstanding Scholarship Award <i>Awarded for displaying outstanding scholarship at Rutgers University – Camden</i>	2022/23
Thesis Distinction <i>Awarded for an exceptional masters thesis at Rutgers University – Camden</i>	2022/23
Jelf Medal <i>Awarded to the student who, in the view of the Principal, has most distinguished him or herself during their undergraduate career at KCL</i>	2017/18
Sambrooke Exhibition in Natural Science (Mathematics) <i>Awarded to the student who obtains the best result during the first or second year of study at KCL</i>	2016/17
